CIVIL AIR PATROL

NATIONAL HEADQUARTERS
WASHINGTON, MAY 18, 1943

Subject: Proper Uniform

To: All Unit Commanders

1. Since the signing of the Executive Order transferring Civil Air Patrol from the Office of Civilian Defense to the War Department, it is more desirable than ever before that the uniform of Civil Air Patrol be proper according to the official authorization, and that when worn it be properly cleaned or laundered, as the case may be.

2. The acceptance of Civil Air Patrol by the Military, and the public as well, can be materially enhanced by all Unit Commanders requiring all members of their Command to present a neat appearance at all times while in uniform.

3. The wearing of unauthorized insignia or trick ornaments, fountain pens or pencils protruding from the pockets or shirt front, will be discouraged.

By direction of National Commander JOHNSON:

SHELDON E. STEERS
Major, Air Corps
Training Officer
